His Exsellencu José Alberto Mujica Cordano
President of Uruguay

Dear President Cordano

Recently, with utmost joy we were apprised that the joint efforts of the World Armenian National Council and the Armenia-Uruguay Council, have produced tangible results and as a direct consequence the Foreign Minister of Uruguay made a significant stride on January 4, 2015, an important step forward in taking possession of our ancestral lands. Once again, the realist world, under the leadership of Uruguay, re-affirmed the rights of the Armenian people. We are cognizant of the fact that our journey may be a difficult one and the modus faciendi may be time-consuming, but those who embark on such a journey will eventual y prevail and will accomplish their ultimate purpose.

On behalf of the Government of Western Armenia, I wish to express my profound gratitude to you and to the people of Uruguay, and the highest authorities of Uruguay. We have always aspired for justice and today there is no doubt that in the near future the Armenian people will repossess its ancestral lands and the Republic of Armenia will become a reality within the borders of the Wilsonian arbitration, the historic award signed on November 22, 1920..

On behalf of the Government and People of Western Armenia we express to you as well as to our compatriots in Uruguay, our heartfelt gratitude.

We are confident that with your support, the Armenian people's undeniable rights will soon become a reality. Yes, to United Armenia! Yes to Wilsonian Armenia!

Respectfully,

Aram Mktrtchyan
Prime Minister
